

## Boule Diagnostics – Information on the decided division of shares (stock split 4:1)

In accordance with the decision made on the Annual General Meeting (“AGM”) of Boule Diagnostics AB (“Boule”) on May 14, 2018, a division of Boule’s shares will be implemented, whereby each existing share will be divided into four shares (so called stock split 4:1). The division will not affect Boule’s share capital but will change the share’s quotient value from SEK 1 per share to SEK 0,25 per share.

The Board has, through the decision of the AGM, been authorized to determine the record date of the split. The record date of the split has been decided to occur on June 4, 2018.

### **Time table for the division of shares**

Thursday, May 31, 2018:	Final day for trading before the division of shares
Friday, June 1, 2018:	First day for trading after the division of shares
Monday, June 4, 2018:	Record date, Euroclear Sweden AB

Shareholders need not take any action due to the division of the company’s shares. After the division of shares, Boule’s total number of shares will increase from 4,854,138 shares to 19,416,552 shares.

As of Friday, June 1, 2018, Boules shares will be traded with the new ISIN code: SE0011231158.
